Whereas, K.S.A. 79-2925b provides that a resolution be adopted if property taxes levied to finance the 2011 Township budget exceed the amount levied to finance the 2010 budget, except with regard to revenue produced and attributable to the taxation of 1) new improvements to real property; 2) increased personal property valuation, other than increased valuation of oil and gas leaseholds and mobile homes; and 3) property which has changed in use during the past year, or with regard to revenue produced for the purpose of repaying the principal of and interest upon bonded indebtedness, temporary notes, or no-fund warrants; and

Whereas, budgeting, taxing and service level decisions for all Township services are the responsibility of the Township Board; and

Whereas, the Township provides the essential services to protect the health, safety and well being of the citizens of the Township; and

Whereas, the cost of provision of these services continues to increase.

NOW, THEREFORE, BE IT RESOLVED by the Township Board that it is our desire to notify the public of the possibility of increased property taxes to finance the 2011 Township budget due to the above mentioned constraints.
